In the book "Vietnam War Nurses: Personal Accounts of 18 Americans," 18 nurses share their firsthand accounts of the war. These women come from diverse backgrounds and experiences, but they are all united by their shared experiences of serving in Vietnam.

The nurses' stories are both heartbreaking and inspiring. They recount the horrors of war, but they also tell stories of hope and resilience. They speak of the challenges they faced, but they also speak of the profound impact that their experiences had on their lives.

One of the most striking things about the nurses' stories is their honesty. They do not shy away from the difficult details of war. They describe the horrors they witnessed, the pain they experienced, and the losses they endured.

But even in the darkest of times, the nurses found hope. They found hope in the patients they cared for, in the friendships they formed, and in the knowledge that they were making a difference.

"Vietnam War Nurses" is a powerful and moving book that gives voice to the experiences of the American nurses who served in Vietnam. These

women's stories are a testament to the courage, resilience, and compassion of the human spirit.

Personal Accounts from the Book

Here are excerpts from some of the personal accounts included in the book:

“I remember one day we had a patient who was so badly injured that he had lost both of his legs. He was in shock and was not expected to live. But we worked on him all night, and by morning, he was stable. It was a miracle.”

- Nancy Lowe”

“I saw so much death and destruction in Vietnam. But I also saw the best in humanity. I saw the nurses who worked tirelessly to save lives, and the soldiers who risked their lives to protect others.”

- Mary Beth Leonard”

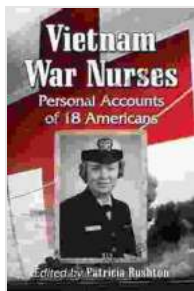

“The Vietnam War was a defining experience in my life. It taught me the importance of compassion, resilience, and hope.

I am forever grateful for the opportunity to have served my country."

- Barbara Bergstrom"

"Vietnam War Nurses" is a must-read for anyone interested in the Vietnam War, nursing history, or the human experience. These women's stories are a powerful reminder of the courage, resilience, and compassion of the human spirit.
