Craig Juntunen's *Both Ends Burning* is a powerful and moving novel that will stay with you long after you finish it. Set against the backdrop of the Vietnam War, the novel tells the story of two young men from different worlds who are brought together by fate. One is a privileged young man from the United States, the other a poor farmer from Vietnam. As their lives intersect, they are forced to confront their own prejudices and beliefs, and to come to terms with the horrors of war.

The novel begins in 1967, as the Vietnam War rages on. David, a young American soldier, is sent to Vietnam to fight. He is full of idealism and patriotism, but he soon learns the harsh realities of war. He sees friends die, and he witnesses the horrors of combat. He begins to question his own beliefs and the war itself.

Meanwhile, in a small village in Vietnam, a young farmer named Tuan is struggling to survive. His family has been killed by the war, and he is left alone to fend for himself. He is forced to make difficult choices, and he often feels like he is losing hope.

David and Tuan's lives intersect when David's unit is sent to Tuan's village. The two men are initially suspicious of each other, but they soon begin to see that they have more in common than they thought. They both want to survive, and they both want to see the war end. They form an unlikely friendship, and they help each other to survive the horrors of war.

Both Ends Burning is a powerful and moving novel that will challenge your assumptions and stay with you long after you finish it. Juntunen's writing is spare and evocative, and he captures the horrors of war with unflinching realism. The characters are complex and believable, and their stories are both heartbreaking and inspiring.

If you are looking for a novel that will stay with you long after you finish it, then Both Ends Burning is the perfect book for you. It is a powerful and moving story about the horrors of war and the power of friendship.
