

Indict Bush, Cheney for War Crimes

The Compelling Evidence

In their book *Indict Bush, Cheney for War Crimes*, authors Peter Kuznick and James Petras provide compelling evidence that former President George W. Bush and former Vice President Dick Cheney committed war crimes during the Iraq War.

To U.N.: Indict Bush, Cheney For War Crimes

The authors argue that Bush and Cheney lied to the American people about the reasons for going to war in Iraq, and that they deliberately misled the public about the war's potential costs and consequences.

Kuznick and Petras also accuse Bush and Cheney of authorizing the use of torture against Iraqi prisoners, and of failing to prevent the deaths of thousands of Iraqi civilians.

The book *Indict Bush, Cheney for War Crimes* is a must-read for anyone who wants to understand the true costs of the Iraq War.

The Case for Indictment

Kuznick and Petras argue that Bush and Cheney should be indicted for war crimes because they violated the Geneva Conventions, which are international treaties that set out the rules of war.

The authors also argue that Bush and Cheney violated the U.S. Constitution, which prohibits the government from engaging in war without a declaration of war from Congress.

Kuznick and Petras conclude that Bush and Cheney should be held accountable for their crimes.

The Historical Context

The Iraq War was launched in 2003 by the Bush administration. The stated reason for the war was to disarm Iraq of weapons of mass destruction. However, no such weapons were ever found.

The Iraq War was a disaster for the Iraqi people. Hundreds of thousands of Iraqis were killed, and millions more were displaced from their homes.

The war also destabilized the region and led to the rise of the Islamic State of Iraq and Syria (ISIS).

The Moral Imperative

Kuznick and Petras argue that it is a moral imperative to indict Bush and Cheney for war crimes.

The authors argue that if Bush and Cheney are not held accountable for their crimes, it will send a message that war crimes are acceptable.

Kuznick and Petras also argue that indicting Bush and Cheney would help to restore faith in the rule of law.

The Call for Action

Kuznick and Petras call on the American people to demand that Bush and Cheney be indicted for war crimes.

The authors argue that it is time for the American people to hold their leaders accountable for their actions.

Kuznick and Petras also call on the international community to support the prosecution of Bush and Cheney for war crimes.

The authors argue that it is time for the world to send a clear message that war crimes will not be tolerated.

The book *Indict Bush, Cheney for War Crimes* is a powerful indictment of the Bush administration's decision to go to war in Iraq.

The authors provide compelling evidence that Bush and Cheney committed war crimes, and they argue that the two men should be held accountable for their actions.

The book *Indict Bush, Cheney for War Crimes* is a must-read for anyone who wants to understand the true costs of the Iraq War.
