This comprehensive guide provides up-to-date information on patient management, coding, and reimbursement for over 400 common medical conditions. With its easy-to-use format and detailed explanations, the Office Visit Compendium 2024 will help you streamline your workflow and improve patient care.

What's New in the 2024 Edition?

The 2024 edition of the Office Visit Compendium has been fully updated to include the latest clinical guidelines, coding changes, and reimbursement

policies. Here are just a few of the new features:

- Over 40 new medical conditions have been added, including COVID-19, long COVID, and monkeypox.
- All existing medical conditions have been reviewed and updated with the latest clinical information.
- Coding and reimbursement information has been updated to reflect the latest changes from CMS and private payers.
- A new appendix on telehealth provides guidance on how to conduct virtual office visits.

Benefits of the Office Visit Compendium 2024

The Office Visit Compendium 2024 is an essential resource for primary care physicians. Here are just a few of the benefits:

- **Improved patient care:** With up-to-date information on patient management, you can provide the best possible care for your patients.
- **Increased efficiency:** The easy-to-use format and detailed explanations will help you streamline your workflow and see more patients in less time.
- **Enhanced coding and reimbursement:** The accurate coding and reimbursement information will help you maximize your revenue.
- **Reduced risk:** By following the clinical guidelines and coding instructions in the Office Visit Compendium 2024, you can reduce your risk of medical errors and fraud.
