

The Oral History Series: Uncovering Hidden Stories from the Past

Unveiling the Voices of the Unknown

History is often written by the victors, the powerful, and those with the loudest voices. But what about the stories of the ordinary people who lived through extraordinary times? Their experiences, struggles, and triumphs have shaped our world in countless ways, yet their voices often go unheard.

The Oral History Series aims to change that. By collecting and preserving firsthand accounts from those who witnessed pivotal events, we strive to give a platform to the voiceless and illuminate the hidden stories that have been lost to time.

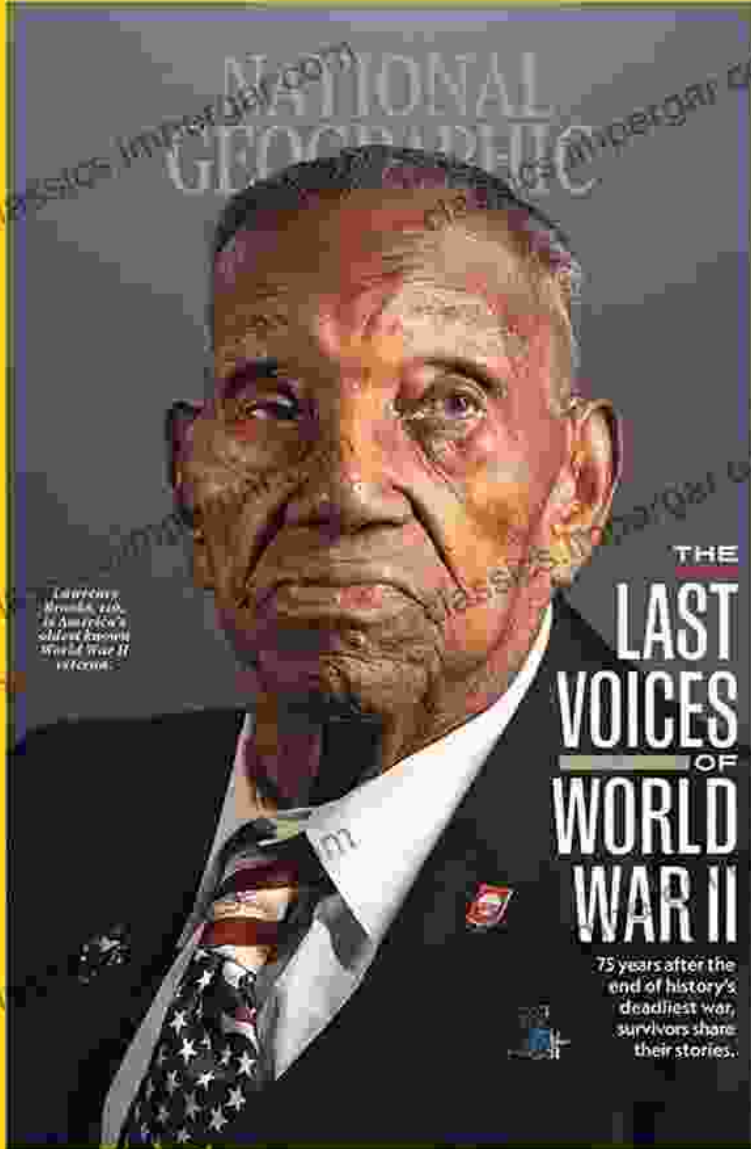

Why Oral History Matters

- **Preserves Personal Perspectives:** Oral histories capture the unique perspectives and experiences of individuals, providing a rich and nuanced understanding of the past.
- **Uncovers Hidden Histories:** These accounts often reveal stories and events that have been overlooked or erased from official records, offering a more complete and inclusive picture of history.
- **Enriches Historical Research:** Oral histories complement written records and provide valuable insights that can help historians interpret and understand the past in new ways.
- **Promotes Empathy and Understanding:** By hearing the voices of those who lived through different eras, we gain a deeper understanding of their challenges and aspirations, fostering empathy and bridging the gap between past and present.

Discover Our Captivating Volumes

The Oral History Series features a growing collection of books that explore diverse historical themes:

ORIGEO

Laurence Brooks, 100, is America's oldest known World War II veteran.

THE
LAST VOICES
OF
WORLD WAR II

75 years after the end of history's deadliest war, survivors share their stories.

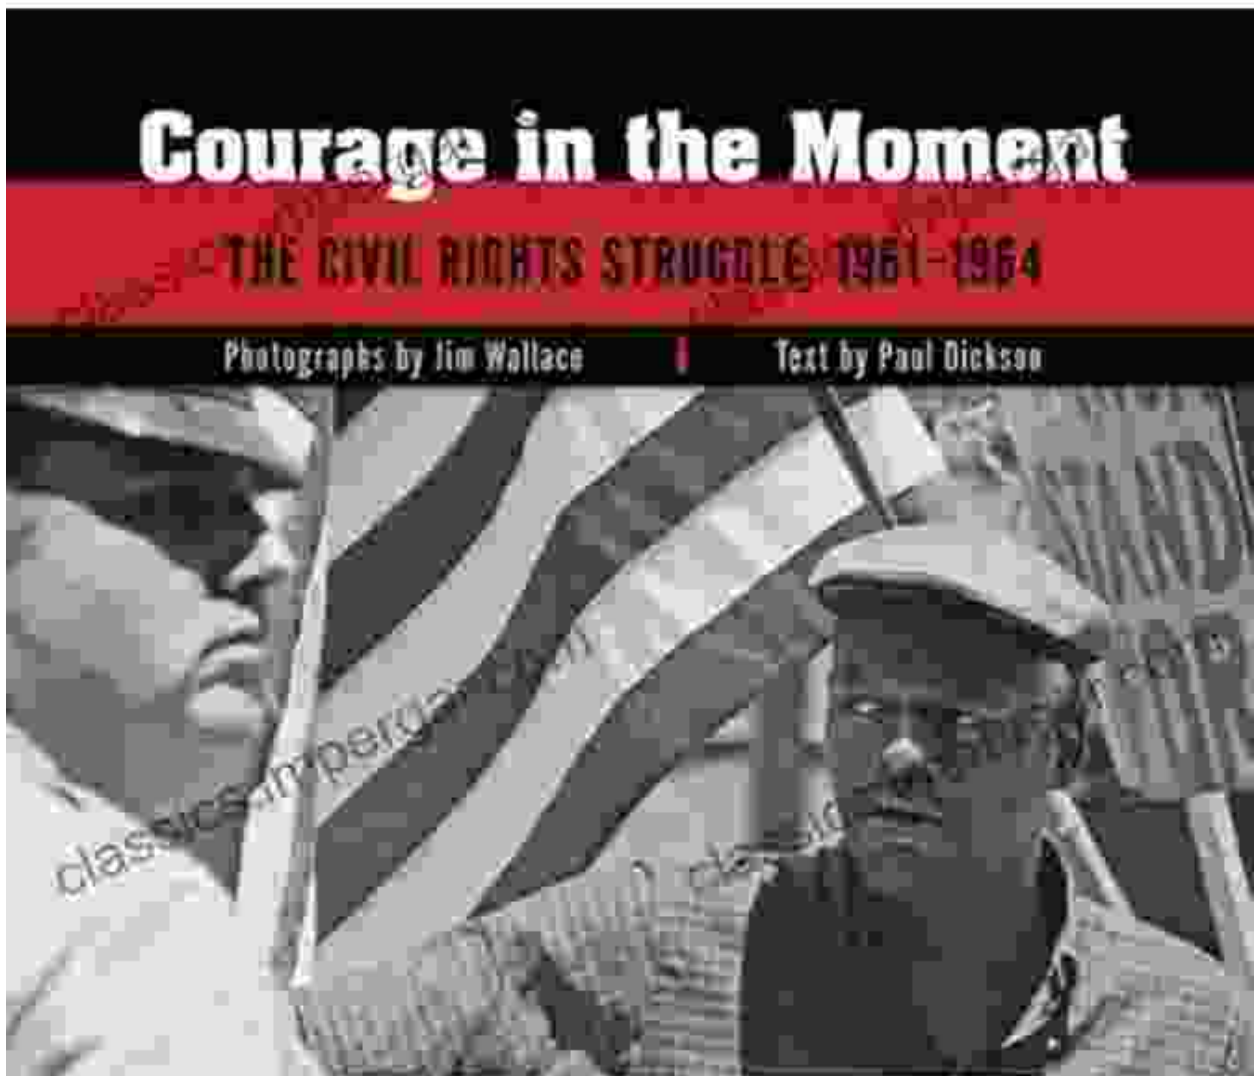

Meet the Authors
